The 24th International Exchange Tour in Maruyama Zoo

We are happy to announce that Sapporo Naka-hojin-kai (The corporation of juridical persons, for central Sapporo) will hold the 24th international exchange tour of Maruyama Zoo with foreign students (and their families) who study in Sapporo.

Hojin-kai is a nationwide organization that assists company owners and managers who are interested in knowing accurate knowledge about taxation, positive management, and contributing to society.

We would like to help the participants enjoy their stay in Japan, and develop mutual understanding and friendship. Those who wish to attend this tour are requested to fill out the application form and the questionnaire about taxation in your country correctly in advance, and to submit a description of your impressions after the event, which are both prepared in Section for International Student Exchange (please see below).
